

They Came From Hadeland: A Centennial History of the Hadeland Lag of America, 1910-2010

The board of directors is pleased to announce that it is now taking orders for the lag's centennial history. The fully indexed soft cover book will be available for a discounted pre-order price of \$25, with a price increase to \$30 after January 1st. The price includes shipping.

The previously published 'History of the Hadeland Lag 1910-1990' provided a detailed look at the first 80 years of lag history. In the 280+ pages of the centennial history, stories and articles from the last 20 years of the *Brua* plus original material and many pictures tell the stories of the lag, Hadeland immigrants, and the lives of our ancestors in Gran, Jevnaker, and Lunner. The centennial history includes:

- An overview of 100 years of lag history
- Detailed reports on all of the lag's trips to Norway beginning with the first visit in 1921
- Summaries of stevner and other meetings held from 1990-2010
- A statistical look at emigration from Hadeland
- Stories of the first generation of Hadeland-Americans
- The history of Hadeland, its churches, and folk dress

Plus a whole lot more

The book not only documents the history of the Hadeland Lag, but it also provides a great introduction to the history and culture of our ancestral homeland. "They Came from Hadeland" would make a great gift for friends and family with Hadeland connections!

Prior to publication, copies can be ordered on-line (follow the "quick click" on the homepage) or by mailing your check and order form. After publication, books will also be available in our online store at cafePress.com.
